Late entries will be charged an extra 50% of the normal entry fee.  Crews which have not paid their entry fees are not permitted to race
Course: 350m, straight course, standing water, 4 lanes.
After dusk the course will be lit by foodlights. There will be a start pontoon with light signals.

Boat classes:	• JW8+
	• JM8+
	• M8+
	• W8+
	<ul> <li>Mixed8+ (crews (excluding coxes) may not be composed of rowers of the same sex and no crew may have more than 4 male rowers)</li> </ul>
	If several teams wish to race in the same boat, please notify the organizing committee asap. The organizing committee will attempt to arrange races so that there are no overlaps if possible.
Weighing:	Coxes are weighed no earlier than 2 hours before and no later than 1 hour before the race. Coxes need to wear their racing kit.
Changing rooms:	Changing rooms for athletes are provided on site. Athletes can store their personal belongings in the changing room at their own responsibility.
Accommodation:	All participants can camp on site or stay in the gym overnight free of charge. Those staying overnight need to bring their own sleeping bags.

Racks and pontoons:	Attention: Racks and pontoons will only be available in limited quantities. The pontoon at 1. WRC Lia will not be available for getting on and off the water during the regatta, since it will open for spectators. The pontoon of the neighbouring rowing club RV Friesen, however, will be open for boats getting on and off the water only. Please consult the regatta plan for further information.  Space for boats will be provided on the grounds of the 1.WRC LIA. You will need to bring your own tressels.
Safety:	<ul> <li>Before getting on the water all necessary equipment (race number, oars, lighting, etc.) needs to be taken down to the pontoon. All the equipment needs to be taken away together with the boat</li> <li>Getting on and off the water should be done as quickly and smoothly as possible. You need to follow the instructions of the Nightrow umpires. Getting on the water is only allowed when an umpire agrees. Boats getting on the water have priority over boats getting off the water.</li> <li>LIGHTING: Every Boat hast to be sufficiently equipped with lighting in the bows (minimum: bike lights).</li> </ul>
